## 3. Registrations

- 3.1. Each school will be responsible for registering their players on the NZRU Database/online system prior to the start of the playing season. A player must not take the field until registered on the NZRU Database system. All players must complete an online registration form.
- 3.2. Secondary schools fielding restricted weight teams must have their players officially weighed by CMRFU representatives. Once the season has begun, players added to the team must be registered and have their weight verified by CMRFU before that player can take the field. It is the responsibility of the school to ensure that this process is followed. Once a player has been officially weighed, that is the weight for the season.
- 3.3. A Photo board for each team showing all players' photo, weight, DOB, NZRU ID number and other details must be provided for each team. These can be generated from the NZRU database or schools can produce a 'team photo board' for each team. Each member of the team must be registered and appear on the photo board. Schools have the option of producing the photo board from the school's database or from the NZRU database. If schools utilise the option of generating photo boards from the school's database, this must be signed by the principal and the players list MUST be sent to CMRFU. This will be the official Photoboard for the season and must be updated as required throughout the season.
- 3.4. ALL new players registering during the season must complete the official NZRU registration form online and be registered onto the NZRU Database system. A player must not take the field until registered on the NZRU Database/online system and a full updated Photoboard must be submitted to CMRFU.
- 3.5. The coach/manager of each team must have this Photoboard available at all games.
- 3.6. Any team playing unregistered players shall forfeit the match and any match points gained. The non-offending team will be deemed to have won the game and will be granted win points plus a bonus point for the match. The score will be recorded as 30 -0. If the offending team has lost the game, the match result will stand but the offending team will incur 5 penalty points.

## 4. Transfers

## 5. Eligibility

- 5.1. Players can interchange between 1<sup>st</sup> XV Premier Grade and 2<sup>nd</sup> XV Grades until the semi-final or championship playoff rounds. Players who have played four games (named in the 22 on a team sheet) in the 1<sup>st</sup> XV Premier Grade are deemed to belong to that grade.

- 5.4. Once competition games begin, a player (except for the players applying Eligibility Rules 1, 2 above) may play for one team only in the competition and that team will be recognised as the team whose competition round team sheet first depicts that player's name. Under this rule, a player is prohibited from playing for another team either in the same grade or another grade. If a team breaches this rule, the team will be deemed to have forfeited any game where a breach has occurred and incur a default loss. The non-offending team will be deemed to have won the game and will be granted win points plus a bonus point for the match. The score will be recorded as 30 -0. If the offending team has lost the game, the match result will stand but the offending team will incur 5 penalty points.
- 5.5. To be eligible for semi-finals and finals for a team, a player must be registered on the NZRU data base (for your school) and have played for a minimum of 4 scheduled games for that team prior to semi-finals. If a player registers after that time, then that team is not eligible for semi-finals or finals. Should extenuating circumstances exist whereby a player has not played 4 games, an exemption request with full reasoning must be submitted to CMRFU (eg. player returning from injury or representative duties).
- 5.6. Every registered player is eligible to play in finals of competition grades provided they meet the criteria above.

- 6.4. Exemptions to play elsewhere will not be granted and notified until the week prior to the first game of the season (week 1, Term 2)
- 6.5. In exceptional circumstances, an exemption to 6.4 may be allowed, at the sole discretion of the Union CEO. To ensure exceptional circumstances the CEO will have discussed the player in question with both the principal of the school releasing the player, and the Chairman or Delegate of the club seeking the player, and the Parent(s) or Caregiver of the player, if possible.

CMRFU Event Management Policy

## Host Responsibility & Event Management for Secondary Schools

### Principle

To ensure a safe environment for Players, Management, Referees and Spectators

### Policy Statement

Schools have a responsibility to deliver a safe environment for all those participating either directly in the game or as a supporter at venues under their control. It is imperative that organisers of sporting events take all reasonable precautions towards preventing accidents and injuries. This includes the provision of event management, security including suitable roping of the playing enclosure, the provision of first aid and host responsibility to provide adequate facilities and after match functions.

### Who the Policy Covers

The policy and procedure cover all games played at any school or school venue hosted by Secondary School within the CMRFU Boundary.

All relevant School personnel should be made aware of this policy.

### Event Manager

Each school must appoint an Event Manager for each occasion they host rugby matches. Should there be no Event Manager appointed or available then the coach or manager of the 'home' team must adopt the Event Manager responsibilities.

### Responsibilities of the Event Manager

- The Event Manager MUST wear an event managers jacket (high viz vest)
- Ensure team and referee changing rooms are open.
- Meet visiting teams and match officials.
- Ensure security and safety of the field.
- Ensure that any side-line abuse of referees or unruly behaviour is immediately addressed, and offenders are appropriately dealt with (in conjunction with other senior school officials)
- The Event Manager must be **visible and mobile**.

### Field Preparation and Security

The School and Event Manager will ensure that fields are adequately roped to ensure the safety of players, match officials and spectator.

#### Fields

- Ensure that post pads are fitted, field flags are in position and ground markings are adequate.
- All fields to be roped off where barriers do not exist.
- Where a field has a barrier on one side only, the other side must be roped.

## Host Responsibility & Event Management for Secondary Schools

- Ropes should be 2m from the side-line, and run the length of the playing area from dead ball line to dead ball line. This may mean that for schools which have adjacent fields viewing is not possible from between the fields.
- It is suggested that ropes are to be curved so all spectators can view the field in its entirety.
- Only Touch Judges, Ball Boys, Medical Staff, St Johns, and Reserve players moving to the end of the field to warm up, may be inside the barriers or ropes.
- The Event Manager checks the playing field is safe prior to the game (ie no glass, dog poo on the field).
- The Event Manager reports any maintenance issues to School Management.
- The Event Manager is responsible for keeping ALL spectators behind the ropes other than those persons referred to above.
- In the event of any spectator trouble, the security of the referee is paramount (the Event Manager and senior school members should assist in this matter).

### Security of Changing Rooms & other areas

- The school is responsible for all activities that occur within their rugby setting on the day of the match (school rooms, changing rooms etc).
- The Event Manager is to ensure that all changing rooms have locks and keys provided to team management.

### Match Day Protocol (as advised to Referees)

1. The game is not to commence unless barriers or ropes are in place 2m from the side-line.
2. Authorised persons permitted inside the ropes and on the side-line are: Referee, Touch Judges, One Team Coach or Medic, Ball Boys, St Johns. These people must ensure that they leave one metre clear of the touch line for the Touch Judges to have clear passage.
3. Team Management and reserve players must stand behind the dead ball line (with their team playing in the direction away from them) for the duration of the game. Teams must change ends at half time. One person may be stationed on the side-line – this can be the Coach or Medic (and cannot be one of the reserves). This side-line person must identify themselves to the referee prior to kick off. If the layout of the fields does not allow room for this at the end of the field, then there must be a designated area available. This applies to all grades and all teams. It is the responsibility of the Team Coaches and Managers to ensure that their team strictly complies with these requirements. Non authorised persons may only enter the playing area to:
  - Attend an injured player during stoppages (St Johns and team officials only)
  - To carry water to players during stoppages (team officials only)
  - At half time (team officials and reserves)
  - To provide a kicking tee or ball to players (team official or nominated assistant)
  - To perform touch judge duties in absence of an official touch judge (team official or as nominated by match referee)
4. The Referee has the right to STOP the game if:
  - a. Anyone other than Touch Judges, Ball Boys, Medical Staff, St Johns are in front of the barriers or ropes

## Host Responsibility & Event Management for Secondary Schools

- b. Any referee abuse or general disorderly behaviour of spectators is not being addressed by the Event Manager.
  - c. Any abusive/disruptive spectator or team member does not abide by any requests made of them by the Event Manager.
  - d. Any player ordered from the field must immediately leave the playing enclosure and must shower and change before returning to general field area.
5. At the conclusion of the game Team Managers are complete and sign the team sheets, and hand to the referee. Team sheets are to be signed by the referee. In doing so, they declare the information to be true and correct.

### Guidelines for Management of Referee Abuse and Sideline Behaviour

Any incident of referee abuse, disorderly behaviour or alcohol consumption by spectators or team members within the playing enclosure is to be addressed by the Event Manager. The Event Manager should seek the assistance and gain support of other school officials and/or match referee to ensure the enforcement of sanctions provided to the offending parties are complied with. The Event Manager should adopt the following process:

- Approach the offending parties to identify them.
- Request the offending parties to cease the behaviour concerned.
- If the offending parties fail to comply, advise them they may be asked to leave the playing enclosure.
- If the offending parties continue, re-warn them that if the behaviour concerned does not stopped, they **will** be asked to leave the playing enclosure.
- If they still fail to adhere and continue with the behaviour, request that the offending party leaves the ground. Also advise that the match will be halted until they leave the ground.
- If they fail to comply, call for assistance from other school officials and the match referee. Referee is to support the sanction.
- The referee is to stop the game until the offender leaves the ground.
- If non-compliance continues, the referee is to call the match off.

***NOTE: at no times shall either the Event Manager, School Officials or Match Referee confront the offending parties physically.***

### **Abuse Definitions**

Abuse is defined as to attack with coarse, insulting, rude, threatening, or offensive language or behaviour.

Verbal Abuse is as follows:

- Any form of foul language
- Any form of threatening language
- Continual complaining or sledging.
- Personal insults
