**In the event of a draw in a Championship Final**

- 3.3** The following procedure will apply to establish a winner in the event of a draw at the end of the championship final:
- The teams will play 20 minutes of extra time (i.e. 10 minutes each way)
  - If the game is still drawn then the winner shall be the team that scored the most tries in the game.
  - If both teams scored the same number of tries then the winner shall be the team that won the game between the two competing teams in the immediately preceding competition (Round 2 of Championship).
  - If this does not resolve the situation then the team that has the best For & Against differential in the immediately preceding competition (Championship Round 1 and 2) will be given the higher ranking. The differential is arrived at by deducting Points Scored Against from Points Scored For.
  - If this does not resolve the situation then the trophy shall be shared and rankings (if required for any reason) will be decided by ballot.

**4. DURATION OF MATCH**

- 4.1** Senior rugby is played as per the IRB Rule Book being 80minutes plus lost or extra time.  
 Under 19 game time is 35 minutes per half, plus lost time. No extra time is to be played in Under 19 fixtures, (winners of semi finals and finals will be decided as per Addendum Rule 3.3.b-e)
