

Secondary School Rippa

Last year in 2009, the NZRU trialled 20 Secondary Schools with running Rippa in their PE classes (curriculum). The trial was very successful and it was also pleasing to see other Unions running Rippa in Secondary Schools off their own bat.

In 2010, they want to advance this and get 150 Secondary Schools running Rippa Rugby in their PE curriculum.

If interested / you wish to run Rippa as part of your curriculum, fill in the form below and the NZRU will provide the school with a book of Rippa activities / lessons and one Rippa kit (first 150 schools). The resources will be sent to you directly by the NZRU at an arranged time.

Note: Dropping off the kit and resources doesn't mean Rippa has been set up in the Secondary School. RDOs will need to upskill teachers in the delivery of this game.

Name of Provincial Union:

Counties Manukau Rugby Football Union

Names of Secondary Schools:

SCHOOL	YEAR LEVEL(S)	No. OF STUDENTS
